The Legend of Dots Diner

In 1996, the first Dots opened with a simple philosophy...
Big Portions, Big Taste, Big Values.

I blended a love for old time diners with my memories of the comfort foods my Grandma Dorothy used to cook. I named the restaurant Dots Diner in her memory.

All our meals are individually cooked to order, made from the freshest ingredients and served to you by the friendliest staff in the South. Our homestyle food may awaken some family memories of your own.

Come have a seat, kick back and stay awhile. Breakfast is served all day and we'll make sure we fill you up without draining your wallet.

Grandma Dot is gone now, but eating until you're good and full remains her legacy and ours. Cause it's just like Grandma used to say, "I'm not your momma, but you're always at home at Dots."
